For applications for enrolment in the electoral register for local and regional government elections in Denmark by EU citizens who are registered with the Protocol Department of the Ministry of Foreign Affairs

1. The conditions for voting in the election

If you are an EU citizen registered with the Protocol Department of the Ministry of Foreign Affairs and you have reached the age of 18 on election day at the latest, you have the right to vote for the local and regional government elections in Denmark.

The following persons are concerned:

- a) Diplomats and other service staffs holding an official duty-passport, who are living in Denmark and posted at embassies in Denmark, as well as accompanying family members and domestic servants belonging to the household.
- b) Internationally recruited personnel posted at international organizations (inter alia EU institutions) in Denmark as well as accompanying family members belonging to the household.

EU-citizens in group b) can choose to apply for an EU residence document at the Danish Agency for International Recruitment and Integration (SIRI) in order to subsequently obtain residential registration in the Central Population Register (CPR). The residential registration in the CPR will replace the registration in the Protocol Department of the Ministry of Foreign Affairs. This change of status will take place according to a procedure set out by the Ministry of Foreign Affairs.

If you are in group b) and you wish to change your status and obtain a residential registration in the CPR, you must be aware of, that in the time between deregistration from the protocol of the Ministry of Foreign Affairs and the residential registration in the CPR, you can only apply for enrolment in the electoral register through a special procedure for EU citizens who legally reside in Denmark without having a residence registration in CPR. You can get the application form from your municipality or at elections.im.dk. Subject to a few exceptions, the application deadline for the local and regional government elections on 18 November 2025 is Tuesday 21 October 2025.

You must send the application to the municipality where you have your private residence (address).

3. Application deadline

In order for you to vote in the local and regional government elections in Denmark on 18 November 2025, the municipality must have your application by **Wednesday 1 October 2025** at the latest.

However, the deadline is Monday 3 November 2025 at 12 p.m. if you in the period from Wednesday 24 September 2025 up to and including Friday 3 November 2025 have been registered with the Protocol Department of the Ministry of Foreign Affairs.
